## Welcome to Project LOVE Coalition!

As a grassroots organization which encourages diverse community partnerships we are dedicated to the universal spread of divine love and great work of uplifting fallen humanity. Project: LOVE Coalition encourages all people and all faiths to become part of our unique collaborative initiatives to make America's communities great for all, especially those who have served our country.

At Project LOVE Coalition:

We are a unique organization which brings arts and veterans together to improve and build an inclusive and sustainable community where peace, dignity and a sense of belonging are among our top priorities. Project LOVE Coalition aims to create social and economic opportunities for all especially those who have served our country. We welcome all to participate regardless of belief, nationality, age, or gender. Project: LOVE Coalition was originally started by a group of Americans of African descent in the Hill District and Homewood community sectors of Pittsburgh, Pennsylvania.

We aim to provide permanent affordable housing to homeless veterans and their families. Additionally, we seek to provide a welcoming space which honors and assists those who have served our country while connecting veterans with civilian community residents and pipelines that enable them to be workforce assets and leaders in neighborhood sustainability.

Please help Project: LOVE Coalition in its humanitarian mission to help the poor and vulnerable. Your generous consideration of any gifts that we receive from the website will go towards support to cover costs of our ministries to those who are homeless or struggling with hunger. We will keep all donors informed of our progress. We are grateful for your support. Even when unexpected situations occur, we trust in the Lord to be our guide. Thank you for your help! Your generosity is greatly appreciated.

Project: LOVE Coalition is a non-profit organization. Please help Project: LOVE Coalition in its humanitarian mission to help the poor and vulnerable. Your generous consideration of any gifts that we receive from the website will go towards support to cover costs of our ministries to those who are homeless or struggling with hunger. We will keep all donors informed of our progress. We are grateful for your support. Even when unexpected situations occur, we trust in the Lord to be our guide. Thank you for your help! Your generosity is greatly appreciated.

Project: LOVE Coalition was founded as a result of a community meeting with the Royal Tribe Arts organization and Mayor Bill Peduto, City of Pittsburgh to address issues facing all Veterans. Mayor Peduto also recognized the deep rooted overlapping problems systemically impacting Veterans of American / African descent in Greater Pittsburgh.

Project: LOVE Coalition seeks to establish an inclusive environment to advance a humanitarian ministry of LOVE, Truth, Peace, Freedom, and Justice. Project: LOVE Coalition is governed by a full-time President and CEO and a volunteer Board of Directors. We work in partnership with the Department of Veterans Affairs and other agencies to provide veterans with shelter and support in an environment that offers dignity, integrity, and, most importantly, hope. Help Project: LOVE Coalition can carry out its mission to improve the quality of life for all Veterans and their families in the region.

The official registration and financial information of the Project Love Coalition may be obtained from the Pennsylvania Department of State by calling toll-free within Pennsylvania 1-800-732-0999. Registration does not imply endorsement. Federal regulations applying to PLC require that we notify all donors that no funds can be expended by PLC for any activity prohibited under P.L. 104-134 or otherwise prohibited by 45 C.F.R. § 1600 et seq.
